

Holtville Complete Streets Plan Workshops

How can we make sure that streets meet the needs of all users, people who walk, drive or ride a bicycle?

Want to help:

- Enhance the sense of community vitality on 5th Street?
- Foster a vibrant economy?
- Improve safety for walkers, cyclists and drivers?
- Support historic and community character?

Join the conversation by participating in the following events!

A Complete Street is "a transportation facility that is planned, designed, operated, and maintained to provide safe mobility for all users, including bicyclists, pedestrians, transit vehicles, truckers, and motorists, appropriate to the function and context of the facility." Holtville is developing a Complete Streets Plan and we need your input.

Sponsored by the City of Holtville and Caltrans.

Outreach and plan preparation by the Local Government Commission and Alta Planning.
